COLLECTION

MONDIAL
SINCE 1908

Always with the same care and passion of the old days, Mondial has been producing for four generations those shaving brushes considered nowadays among the best in the world. Mondial is today a dynamic firm, leader in the shaving field, with a wide range of excellent quality products for the high-class, refined man attentive to the details of a first rate, handmade product, naturally made in Italy.

Mondial presents Florence: a splendid collection of products for shaving in a refined fragrance. Florence is an aromatic Cologne with fresh and citrus head notes. Heart notes, with an intriguing blend of spices and precious woods, together with amber base notes, make this Cologne warm and lingering. Florence holds in its refined collection a timeless charm, as Florence itself, a little town with an unique savour.

MONDIAL
SINCE 1908

COLONIA SUPREMA

An aromatic Cologne undoubtedly for men, fresh and spiced with pleasant amber notes.

Head notes: Bergamot, lemon, Roman chamomile, lime and green notes of wood.

Heart notes: cedarleaf, mint, ginger, pimienta berries, incense. **Base notes:** patchouli, cypress, sandalwood, amber notes.

AFTER SHAVE LOTION

Florence lotion is a unique after shave. Its special composition based on Provitamin B5, has a moisturizing effect, gives a lighten and compact skin. It soothes shaving irritations with haemostatic and astringent effect. It is recommended for sensitive skins, too.

LUXURY SHAVING CREAM TRADITIONAL

Precious shaving cream in traditional solid appearance in the unforgettable Florence fragrance. Its precious natural ingredients make the shaving easier allowing a light sliding of the razor blade. After the shaving, your skin will turn out soft and velvety. It does not contain colorants or preservatives. Available both in Luxury plexiglass and wooden pots.

LUXURY HAND SOAP

A precious soap in the luxury Florence fragrance. The craft and the employment of natural ingredients produce a silky foam, making your skin soft and compact.

PRESHAVE CREAM

Thanks to its special composition, it prepares your skin to a pleasant shaving, creating a thin film that protects the skin from the irritation due to the blades of the razor and making their sliding on the skin easier and fluent.

AFTER SHAVE GEL

Highly moisturizing and soothing, it is enriched with substances of vegetable origin and gives the skin the proper moisturizing. It has an anti-inflammatory effect and it guarantees a pleasant sensation of comfort after the daily shaving. It does not contain colorants or preservatives.
