AFTER SHAVE LOTION

N°908 is an unique after shaving lotion. Its special composition based on Provitamin B5, has an moisturizing effect, gives a lighten and compact skin. It soothes shaving irritations with haemostatic and astringent effect. It is recommended for sensitive skins, too.

LUXURY SHAVING CREAM

It is presented as the highest quality product in shaving creams. Its precious natural ingredients make the shaving easier allowing a light sliding of the razor blade. After the shaving your skin will turn out soft and velvety. N°908, fresh and citrus Homme fragrance with flower and wooden notes make the shaving a moment of absolute pleasure. It does not contain colorants or preservatives. Available in tube and in 'traditional' and 'soft' pot.

AFTER SHAVE GEL

Highly moisturizing and soothing, it is enriched with substances of vegetable origin and gives the skin the proper moisturizing. It has an anti inflammatory effect and it guarantees a pleasant sensation of comfort after the daily shaving. It does not contain colorants or preservatives.

LUXURY SHOWER GEL

It is presented as the highest quality in shower gel. Its intense scent makes the shower an extraordinary experience of aromatherapy leaving the skin soft, compact and gently scented according to the style of Mondial. Precious dispenser.

PRESHAVE CREAM

Thanks to its special composition, it prepares your skin to a pleasant shaving, creating a thin film that protects the skin from the irritation due to the blades of the razor and making their sliding on the skin easier and fluent.
