AFTER SHAVE LOTION

Nobilis is a unique after shaving lotion. Its special composition based on Provitamin B5, has a moisturizing effect, gives a light and compact skin. It soothes shaving irritations with haemostatic and astringent effect. It is recommended for sensitive skins, too.

LUXURY HAND SOAP

A precious soap in the unforgettable Nobilis fragrance. The craft and the employment of natural ingredients produce a silky foam making your skin soft and compact.

AFTER SHAVE GEL

Highly moisturizing and soothing, it is enriched with substances of vegetable origin and gives the skin the proper moisturizing. It has an anti-inflammatory effect and it guarantees a pleasant sensation of comfort after the daily shaving. It does not contain colorants or preservatives.

PRESHAVE CREAM

Thanks to its special composition, it prepares your skin to a pleasant shaving, creating a thin film that protects the skin from the irritation due to the blades of the razor and making their sliding on the skin easier and fluent.

LUXURY SHAVING CREAM TRADITIONAL

Precious shaving cream in traditional solid appearance with the intriguing Nobilis fragrance. Its precious natural ingredients make the shaving easier allowing a light sliding of the razor blade. After the shaving your skin will turn out soft and velvety. It does not contain colorants or preservatives. Available both in Luxury plexiglass and wooden pot.
